CHAPTER REFERRED TO IN OTHER SECTIONS

This chapter is referred to in section 5905 of this title; title 15 section 3393; title 16 section 824a-1; title 30 section 1303; title 43 section 1331, 1866.

§ 7101. Definitions

- (a) As used in this chapter, unless otherwise provided or indicated by the context, the term the "Department" means the Department of Energy or any component thereof, including the Federal Energy Regulatory Commission.
- (b) As used in this chapter (1) reference to "function" includes reference to any duty, obligation, power, authority, responsibility, right, privilege, and activity, or the plural thereof, as the case may be; and (2) reference to "perform", when used in relation to functions, includes the undertaking, fulfillment, or execution of any duty or obligation; and the exercise of power, authority, rights, and privileges.
- authority, rights, and privileges.

 (c) As used in this chapter, "Federal lease" means an agreement which, for any consideration, including but not limited to, bonuses, rents, or royalties conferred and covenants to be observed, authorizes a person to explore for, or develop, or produce (or to do any or all of these) oil and gas, coal, oil shale, tar sands, and geothermal resources on lands or interests in lands under Federal jurisdiction.

SUBCHAPTER I—DECLARATION OF FINDINGS AND PURPOSES

§ 7111. Congressional findings

The Congress of the United States finds that—
(1) the United States faces an increasing shortage of nonrenewable energy resources;

- (2) this energy shortage and our increasing dependence on foreign energy supplies present a serious threat to the national security of the United States and to the health, safety and welfare of its citizens;
- (3) a strong national energy program is needed to meet the present and future energy needs of the Nation consistent with overall national economic, environmental and social goals;
- (4) responsibility for energy policy, regulation, and research, development and dem-
